

Akrotiri School

FS2

Summer Term 2 - Information Guide

Our learning this term

Our topic is 'Are we there yet?'

As part of our topic the children will be learning about different types of transport that we use to go on a journey. We will be designing and making our own model vehicles, going on a journey or holiday in our role play area and creating holiday destination posters. We have been to visit the Air Terminal at Akrotiri and found out about the different processes that happen when we want to fly home to visit family. We will also be looking at the importance of road safety, practising how to cross the road and ride our scooters safely to school. We will be ending our topic with an 'Express' activity, where the children will spend the week 'visiting' a different county, learning the language and trying the local food.

VISITS AND ENRICHMENT

The children have all been to visit the Air terminal. They had the opportunity to 'check in' and each received a boarding card. The children watched the Sniffer Dog at work checking the bags were safe. They watched the suitcase disappear down into the 'Bat Cave' and then saw the objects moving through the scanning machine.

We will also be looking at the different types of transport used on camp and recording how we travel to school.

Homework and how to help your child:

We have now recapped all Phase 3 sounds and Tricky words. Please can you continue to practise these with your child. Our focus this term is to extend their writing. The children need to be able to **read and spell tricky words correctly**, use the **phase 3 digraphs** in their spellings, as well writing in sentences, using simple punctuation e.g capital letter and full stop.

Weekly reading

Your child will be read with every week in school and new books sent home. Please record any reading your child does at home, in the Reading record and comment on successes and anything they found difficult, so we can support them with difficulties in class.

USEFUL INFORMATION

PE :

Foxes & Mice classes on **Tuesday**

Owls & Bats classes on **Wednesday**

The school policy during the summer term is 'NO hat, NO play'. Please can you ensure your child comes to school with a hat , sun cream already applied and a water bottle.

Big Arts Week

This week all the children in school will be celebrating Big Arts Week. The children will be designing their own pictures celebrating the 100th Anniversary of RAF. On Friday 15th June, after school you are welcome to come into class to have a look at our wonderful creations.

Father's Day

On Friday 15th we are inviting Dads to come into class from 12.30-13.30. We are looking forward to seeing you.

Library: All the children have the opportunity to visit the school library on Tuesdays and choose 1 book to take home. **PLEASE** can you return the library book ready for the following week's visit.
