Learning Behaviours

Roxy — Relationships   Charlie — Challenge   Eddie — Engage   Ruby — Reflective

At Akrotiri School we want you to be the best learner that you can possibly be. To achieve this, you need to know not just what you learn, but also **how you learn**.

Why are learning behaviours important?

You will be learning throughout your whole life - not just at school!
It is important for you to be able to make the most of every situation in school, out of school and beyond school. It is likely that you have dreams and aspirations for your future, but often in life there are challenges to face and tricky moments to overcome.

If you have mastered the learning skills and gained positive learning behaviours, you will be happy and comfortable in whom you are as a learner and be able to face challenges with confidence.

Look out for the Learning Super Heroes around our School and in your classroom!

Who are the Learning Superheroes?

Let us introduce them to you...

Charlie Challenge helps you to solve problems when faced with challenges. He helps you to stay on task to reach your goals.

- *I can make links with my learning.*
- *I can solve problems.*
- *I like to ask great questions and can explore the answers.*
- *I can think of new ways to do things.*

Eddie Engage encourages you to be enthusiastic about your learning and to take pride in your work.

- *I am enthusiastic about my learning.*
- *I can work independently.*
- *I take pride in my work.*
- *I can stay on task.*
- *I can follow in instructions.*
- *I use resources to help me.*

Roxy Relationships provides you with the skill of collaborating and co-operating with others.

- *I respect and value everyone's ideas and opinions.*
- *I am a good listener.*
- *I can work as part of a team.*
- *I can share my ideas and opinions with others.*

Ruby Reflective helps you to improve by learning from mistakes and preparing for learning.

- *I can show pride in my achievements.*
- *I have high expectations of myself.*
- *I can make links with my learning.*
- *I can identify how to make improvements.*
- *I can learn from my mistakes.*

The learning superheroes all have their part to play in developing your learning skills and learning potential.
