Whale, Dolphin and Seal classes Spring Term 2 2020 - Information Guide

Our learning this term

Our topic is Harry Potter and Fantastic Beasts

This half term, we will continue our topic on the book Harry Potter and the Philosopher's stone. This will link to our science work on living things including teeth and digestion (please turn over to see key facts for this)

In English we will be writing Non-Chronological reports on Fantastic beasts. Then we will explore explanation texts and write about the digestive system. The main topic of conversation here will be POO.

In Maths, this term we will continue to focus on Fractions There will be a big input on timetables throughout the year. Keep practising your TT Rockstars. Remember there is a National Test for Year 4 in May. Children will need to know all their timetables by that date. The test requires children to give answers to multiplication questions in 6 seconds.

HOW TO HELP YOUR CHILD

READING

It is important that your child's reading book and reading record comes into school **every day**. Pupils will continue to complete the reading quizzes from Accelerated Reading when they have completed their books. Your continued support with developing your child's reading is appreciated. This is the main homework activity that we expect all children to do.

Additional information

Please label **ALL** of your child's clothes and belongings including trainers, hats, shorts, t-shirts, jumpers, cardigans and water bottles.

USEFUL INFORMATION

PE: Dolphins class will have PE on Tuesday and Wednesday. Whales will have PE on Thursday and Friday. Seals will have a PE lessons on Wednesday and Fridays.
