

Akrotiri School

Friday Feeling

#025

Friday 26 March

The Spring term was finished off in style with the 'Spring Dash'. Every child demonstrated their athletic prowess running the course which varied in length from 700m for our youngest pupils to 1.4km for our oldest. Mr Robinson and Mr Bennington ensured the event took place without a hitch and all staff acted as super motivators for our athletes. Each year group had bronze, silver and gold medal winners for girls and boys which were awarded in a special outdoor assembly this morning. All of the runners were awarded points and Hercules House were eventual winners and awarded the inaugural spring dash trophy! Congratulations.

Another trophy 'first' was the term winners for the house point accumulation. With a staggering 5910 house points as the total for the term Voyager Captain, Lola, and Vice-Captain, Oscar, held aloft the impressive silverware. Well done to all in Voyager House.

Mrs Robinson and I turned into learners this week, as delegates on a global education summit. We had the privilege of engaging with the most influential educational academics from across the world across a range of topics and themes. I am really looking forward to incorporating some of these aspects into our school development as we move ever closer to realising the potential.

Mrs Sinclair, Mrs Harvey and Mrs Spooner welcomed a number of new children to our Dandelions class through door step visits. We're very excited to see our youngest pupils come into the Dandelions after Easter.

Finally, after a full and engaging term I wish you all a very Happy Easter and hope you have a safe and restful couple of weeks. We look forward to seeing you all again in the summer term.

Have an egtastic Easter,

Ben Turner
Headmaster
