

Our learning this half term is Remembrance, Habitats and Animals and a Local Study.

After looking at Remembrance Day, we will be learning about animals and their habitats, linking this to Cyprus' habitats. We will use classification keys to identify animals and will create different habitats at forest school for the wildlife that lives in the grounds.

We will then move onto a local geographical study of Cyprus, comparing it with the UK and studying various human and physical features of the island. This will lead into art, where we will study a local artist.

Finally, we will finish by looking at Christmas. Using nets and levers in DT, we will create Christmas cards and decorations.

HOME LEARNING

In addition to reading, spelling and times tables, homework will be set via MyMaths.

READING

Children should aim to read a minimum of three times weekly. It is important that your child's reading book and reading record comes into school **every day**. Pupils will continue to complete the reading quizzes from Accelerated Reading when they have completed their books. These quizzes can now be done at home. Due to Covid restrictions, each class now has a set time slot to change their books. Your continued support with developing your child's reading is appreciated.
