

# Akrotiri School

## Friday Feeling

### #002

Friday 10 September

We had tremendous pleasure in sharing with each other our new class names. The theme this year is 'authors' and we tried to think about inspirational or lesser known authors from across the globe. The children have engaged in some super research, enjoyed stories and created incredible displays to identify their class.

Donaldson	Mrs Sally Ann Taylor (FS1)	Grimm	Miss Zara Turner (Y2)
Ahlberg	Mrs Lynda Cooper (FS1)	Osborne	Mr Anthony Ball (Y3)
Murphy	Mrs Danielle Chong (FS2)	Dreise	Miss Fiona Kirby (Y3)
Bright	Mrs Charlotte Brett (FS2)	Morpurgo	Mrs Kristy Ashford (Y4)
Hendra	Mrs Carly Kearns (FS2)	Verne	Miss Amanda Lowe (Y4)
Jeffers	Mrs Wendy Sinclair (FS2)	Dahl	Mrs Nia Roberts (Y4)
Fox	Mrs Katy Bicknell (Y1)	Tan	Mrs Lisa Humphries (Y5)
Heartford	Mr Kevin Robinson (Y1)	Fine	Mr Jamie McKenna (Y5)
Dodd	Mrs Andrea Kemble (Y1)	Sachar	Miss Shonagh Mackenzie (Y6)
Seuss	Miss Ashleigh Cooper (Y2)	Kipling	Mrs Claire Cotter (Y6)
Anderson	Miss Vicky Flynn (Y2)		

Our new entrance and exit procedures have been working well, but to further improve these and ensure greater safety for our children, if you use the sports field entrance please consider using the carpark across the road and use the pedestrian crossing to come into school. We will then reduce the car flow in the carpark next to school. From Monday we will also cordon off a small section as a pedestrian only zone.

The new procedures for our after-school club are working equally well. A small group of children who access provision from 1335 – 1545, are now walked down to the EY centre for this period and enjoy the super facilities and space that it offers. Our youngest children have settled brilliantly and even those who complete the additional 15 hours in our setting have demonstrated excellent stamina to continue to engage and enjoy the exciting environment.

Although we are only in the first full week of school, we say a sad farewell to Mrs Ralston today. Mrs Ralston has been a tremendous addition to the school staff and really taken forest schools to the next level. Her positive attitude, infectious laugh and love of the children will be missed by us all. The Forest School area will be left in safe hands with Mr Bonar who will continue the fantastic legacy that Mrs Ralston has left. We all wish you the very best in the future.

Finally, a couple of reminders: Please advise the main office of any changes to your personal details (phone number, address. Email etc) and be reminded that we are a 'nut free' school due to the very sensitive allergies that some of our children have. Thank you for your understanding.

Have a wonderful weekend,

Ben Turner  
Headmaster
