

Akrotiri School

Y2

Anderson, Grimm and Seuss Classes
Summer 1 2022 - Information Guide

Our learning this term:

Welcome back to the summer term! We hope you all enjoyed the Easter break. This half term we will focus on continuing to develop both the children's resilience and stamina particularly when in new situations. We are also very much looking forward to our residential which was postponed from last half term!

Writing: We will be consolidating our writing skills and creating our own fairy tale stories, character descriptions and recounts. We will also be producing a range of cross curricular writing including a non-chronological report on Queen Elizabeth and instructions for our science experiments.

Maths: We will be learning about different units of measurement for length, height, capacity, temperature and time. We will also be learning about position and direction.

In other subjects we will be focusing on: In science, we are going to learn about materials and finding out about their properties. Our focus will then turn to history and learning about kings and queens. This will tie in with celebrating Queen Elizabeth's platinum jubilee.

VISITS AND ENRICHMENT

This half term we will be visiting Kolossi castle as part of our work in history. More information to follow. We are also having our sleepover on Thursday 5th May to Friday 6th May

USEFUL INFORMATION

PE happens throughout the week in Year 2, please ensure that PE kit is in school on a Monday and stays for the week.

Home learning books will be sent home every Friday. The home learning opportunities will be linked to the week's spellings.

Library Days will remain the Same. Anderson on a Thursday, Grimm on a Monday and Seuss on a Tuesday

We shall continue to use SeeSaw as our main method of communication.

How to help your child

Please ensure that reading books and reading records are in school every day. Remember that you are now able to quiz on books at home as well.

Please initial when you have read with your child, we would love children to read at least 3 times a week at home.

When reading with your child, don't forget to ask them questions to ensure that they understand what they are reading.

Please support your child at home by learning the 2, 5 and 10's times tables.
