

## Home learning policy – 2022-23

At Akrotiri Primary School, we believe that children's experiences out of school should be rich and fulfilling, whilst supporting our desire to ensure that our children are provided with a curriculum bespoke to our unique environment. With that in mind, our aspiration is that all pupils:

- ✓ Read at least 3 times per week (checked weekly by staff),
- ✓ Participate in regular arithmetic activities, including online, e.g. hit the button,
- ✓ Practise targeted spellings using their spelling logs,
- ✓ Engage with our '75 things to do in Cyprus' below:
