

Akrotiri School

Friday Feeling

#007

Friday 4 November

In line with the best of the north and south hemisphere rugby in the Autumn Tests, Akrotiri School hosted the BFC Schools' rugby festival. Mr Robinson welcomed teams from Episkopi, Dhekalia and Ayios Nikolaos to engage in this extremely lively event, with all children displaying incredible happiness and motivation to represent their school. Our teams brilliantly demonstrated the Akrotiri core values and were a credit to us all. Thanks also to Mr Bennington and Mr Collins, who supported this successful event.

The sport didn't stop there this week. On Wednesday, we welcomed 6-dan black belt, Jason, into school to lead a demonstration with his students (Akrotiri pupils!) from the Akrotiri Taekwondo School. The children (from Y1 – Y6) impressed KS2 with their synchronised moves and discipline in following orders given in Korean. We were also delighted to see the children awarded with certificates, tabs and new belts – well done!!

Oral health was on the agenda for FS2 when they visited station dentist centre earlier in the week. They learned how important it is to brush regularly and which foods may keep their teeth healthy and which may not. They also had an opportunity to explore the dentist's equipment and see how the chair works. I am sure that all of the children will be confident when they next visit the dentist – thank you to all involved in organising the visit.

Finally, a reminder that scooter and bikes should not be ridden in the school grounds, including the area outside the FS building. Please ensure that children dismount before entering the school and leave bikes in the designated parking areas. We have also experienced an increase of dogs being walked to school - if you are bringing your dog, please be mindful that some of our children are not confident around dogs. Thank you, in advance, for your co-operation.

Have a wonderful weekend,

Ben Turner
Headteacher
