How to help your child

Please ensure that reading books and reading records are in school every day. Remember that you are now able to quiz on books at home as well. Please initial when you have read with your child, we would love children to read at least 3 times a week at home. When reading with your child, don't forget to ask them questions to ensure that they understand what they are reading. Please support your child at home by learning the 2, 5 and 10's times tables.

Additional information

Please ensure everything that comes into school has been named. Please continue to apply sun cream and mosquito repellent to your child each day before they come to school.

We have a "no hat no play" policy now that we are in the summer months. Please send in a named hat every day.

It is also essential that your child brings in a water bottle.
