

# Akrotiri School

## Friday Feeling

### #036

Friday 14 July

At the end of the last full week of the academic year, it has been one to savour and enjoy. The final piece of the results jigsaw slotted into place and we are delighted with the outstanding outcomes at the end of each of our key stages. This does not just happen over the course of a year, this is as a result of consistent high-quality teaching across all of our year groups. The staff and children have worked exceptionally hard and become truly invested in engaging and purposeful learning, which has secured such positive results below.

	2019 National Averages		2022 National Averages		Akrotiri 2023		
FS2 cohort size	--		--		52 pupils		
GLD	72%		65%		83%

GPS	78%	36%	72%	28%	98%	54%	
Science					90%	N/A	

Across the school, children have been reaping the rewards from their enterprise initiative which started in March. Children have been bowling, bought in food, enjoyed new resources and seen that hard work, creativity and determination pays off. Well done for ensuring the success of such an exciting venture. We look forward to repeating something similar in 2024.

Also this week, was an opportunity to look forwards to next year. Children had the chance to meet their new teacher and visit their new classroom today. Our new teacher, Miss Coole, was even able to meet her new class virtually. The children have given a very excited response to the sessions.

Finally, Y6 presented a farewell celebration to staff and parents at the Snug on Thursday evening. Amongst the tears and

emotions, the children reflected on their time at Akrotiri, performed music and songs, received their special leavers' T-shirts and partied with games and a BBQ.

Thank you to all involved, it was a huge success.

Have a lovely weekend,

Ben Turner

Headteacher
