

# **Akrotiri School**

## **Friday Feeling**

### **#008**

Friday 27 Oct

It was all porridge, broken chairs and sleeping bears earlier in the week when an intrepid gang of FS1 children went on an immersive adventure to explore the story, Goldilocks. Their journey took them into the Forest School area, where they used clues and story prompts to deepen understanding and promote enjoyment. A real-life Goldilocks stole the show with a super performance of the famous tale.

Learning explorations took us into Y2 this week and it was a tremendous opportunity to enjoy the learning experience of our children across a range of core subjects. Children described excitedly the themes and learning they were engaged in; it was great to be a part of the adventurous vocabulary collection, which children used to describe their very own 'Wild Thing'. Children confidently tackled maths, using a variety of apparatus to support their articulation of maths processes and concepts.

The week completed with a very successful tag rugby festival, shared with Episkopi School. Mr Bennington and Mr McKenna led a fun packed morning involving great sportsmanship, skills development and tag rugby games. The children, as ever, were a credit to themselves and the school. Well done to all involved.

A reminder that the week commencing 13<sup>th</sup> November we will have our first parent teacher meetings of the year. A sign-up form will come out via electronic link when we return after the half term break. Although predominantly on Tuesday and Thursday, some other dates or times may be available - look out for the sign-up.

Finally, as we approach the half term break, thank you for your ongoing support. It has been a full and extremely busy 8 weeks, but thoroughly enjoyable and we have achieved a lot. Children have really settled into the new year and are making very positive strides forwards. In the run up to Christmas (!?) I look forward to continued progress and development. Please be reminded that school will open again for children Tuesday 7 November.

Attached is the calendar for the academic year 24/25.

Have a wonderful weekend,

Ben Turner  
Headteacher
